

Back when it all began...

Our café began back in 1957 when Mr. Paradise met Ms. Ocean at a local coffee shop. They immediately hit it off, and got married. They decided to celebrate their marriage by opening up a beautiful beach café, where people could come and have a lovely meal while enjoying the wonderful sound of the ocean. The couple decided to name the new café, Paradise Café, after the newly married Mr. and Mrs. Paradise of course!
